UNDERCOVER CARAVAN STORAGE

Long & Short Term

Providing
Peace of Mind

Our facility

Having specialised in caravan storage for over ten years we take pride in offering the most secure undercover storage facility in Cornwall.

Within our purpose-built compound we offer premium undercover storage with hard standings for all of our 94 vans. Security is assured with our extensive 24 hour CCTV, alarms and security lighting systems.

Further guarantee to our dedication to site security is the Caravan Storage Site Owners Association (CaSSOA) prestigious Gold Award which was granted to us in 2007.

For your convenience...

...in collection

For your ease we have a secure compound designed solely for the collection and leaving vans. Designed with easy access in mind this both avoids the need for you to tackle difficult manoeuvres and ensures that it is only our experienced staff who park vans in the main secure area. This facility is also available for out-of-hours movements.

...in payment

Six monthly and annual payment options are available. Storage charges depend on caravan size and period of storage. We are happy to accept vans of up to 23ft (7 metres) in length.

...in location

For security reasons we do not advertise our precise location. However, we are conveniently situated just 4 miles from the A30, and within 6 miles of both Truro and Newquay. If you would like to view our facilities please do not hesitate to call.

...in towing

We are happy to deliver to and/or collect your van from sites within a six mile radius of our facility. Please ask for details.

...in valeting & maintenance

With your safety and comfort our prime concern we also offer complete valeting and caravan maintenance services (by qualified personnel) to help you ensure that your van remains in the best possible condition for your holiday.

...in insurance

Peace of mind for you also means peace of mind for your insurance company. That is why many offer a 25% discount for vans kept at our CaSSOA gold award site. Please ask us for further details.
